The Heritage Experience

a few words from the director of camping

Camp Leaders:

Thank you for choosing Heritage Reservation as your destination for summer camp. Our traditions began long before anyone ever dreamed of a multi-purpose Scout reservation. Camps like Anawanna, Semiconon, Twin Echo and others were all resident camps that led to the gem we now call Heritage Reservation. Opened in 1980, Heritage began serving Scouts at Camp Liberty and Camp Freedom. After a pilot program that began in 1988, Camp Independence opened in 1992 to serve Cub Scouts and Webelos. In 2009, we expanded again with the addition of week-long high adventure programs to serve older Scouts and Venturers at Eagle Base. In 2019, we open our doors to Scouts, BSA members.

Throughout our history, we have been providing the best quality programs, and have become a home for many Scouts, Scouters, units and staff. This year, we continue the commitment to excellence Heritage is known for, while going above and beyond with several new programs and services.

We are delighted that your unit has chosen to take part in this experience, the directors and key leaders are busy planning an incredible program. We have an exceptional group of staff and directors returning- along with some new faces- to ensure we exceed your unit's expectations.

This guidebook provides you with details about our programs, procedures and services. Please read the guidebook thoroughly to prepare your unit to make the most of your adventure at camp.

I am excited, pleased and honored to serve as your Director of Camping. My ultimate goal is to ensure every Scout and leader who comes through our gates has their very own "Heritage Experience." If you have any questions, concerns or comments feel free to contact me.

Thank you for choosing Heritage Reservation as your summer destination. See you at camp!

Preparation **Heritage Reservation Overview**

tall oaks from little acorns grow

Heritage Reservation, which opened in 1980, is home to four different types of camps on over 2,000 acres of beautiful woodlands in southwestern Pennsylvania.

Eagle Base
During the summer months, the camps are put into use as resident camps, offering nationally renowned programs at Camp Independence (Cub Scouts and Webelos), Camp Liberty (Scouts, BSA patrol cooking), Camp Freedom (Scouts, BSA Dining Hall) and Eagle Base, our high adventure program (older Scouts, BSA and Venturers).

Independence
Heritage Reservation's centerpiece attraction is the 270-acre Lake Courage, providing plenty of room for boating, fishing, sailing, water-skiing and swimming. Located close to Nemaocolin Woodlands, Laurel Caverns and Ohiopyle, Heritage is a centrally located camp, with plenty to keep any unit or group busy for a weekend or a week at summer camp.

Independence
Heritage Reservation also has a conference center and nine split-entry houses available for rent by Scout units and outside groups. During the fall, winter and spring months, several pavilions and shelter areas are available for traditional camping, all reachable by vehicle.

Liberty/Freedom
Each of the camps is designed to be nearly self-sufficient, with their own office and facilities. To support these camps, Heritage does have a central area that contains the administrative offices, ranger's shop and maintenance facility, Heinz Commissary and the Health Lodge. Heritage Reservation can accommodate 1,200 campers plus staff, and is considered to be one of the finest Scout camps in the Boy Scouts of America.

Advancement in Cub Camp

very important stuff, please read carefully!

Summer camp is a great place to take care of those requirements that may be challenging to incorporate into a home den meeting. Scouts can take advantage of the equipment, environment, and trained staff to help meet their needs.

Advancement opportunities are built-in to the Camp Independence program schedule and are seamlessly integrated into the activities you will be doing in each area. Cub Scout parents and leaders will receive a record of the requirements listed below that are being met in each area, so that den specific advancement can be signed off when returning from camp.

Independence Check-In Process

how to make your first day at the greatest place on earth a smooth one

With many Scouts and adults arriving and checking in at the same time, we need your help. We want to make this the easiest, fastest and most efficient check-in process you've ever experienced. Staff will be available in the parking lot and at various check-in points to assist wherever needed.

1. **Please arrive as a group** between 3:30 p.m and 4:00 p.m. to be able to complete all check-in procedures before 5:30 p.m. Upon arrival at Heritage, your unit will be directed to the lines forming at the respective camp gates and will be asked to wait at the parking lot until 4:00 p.m. before proceeding to the camp.
2. In the parking lot, you will meet your site guide who will then assist and lead your unit throughout the entire check-in procedure, as well as give you a tour of camp, so everyone is familiar with where things are located.
3. The unit leader responsible for all registration matters will report directly to the Program Hall with a complete roster, payment history and a form of payment for any unpaid fees. Unit bills will be settled at this time. Guest meals are paid during the week.
4. The rest of the unit will move into your campsite with your gear. Only one vehicle per unit will be allowed to go past the parking lot and into your campsite. Unit trailers are allowed in most sites and must be parked in designated areas.
5. As soon as possible continue to the medical recheck station. Be sure to have all the medical forms and proof of PA background clearances with you (pg 60). Be prepared to present a copy (NOT originals) of everyone's forms for camp to keep in alphabetical order at the medical recheck station.
6. After your medical recheck you will have your Dining Hall orientation.
7. Return to your campsite, review and inspect camp issued gear with your campsite host, complete setup.
8. Flag lowering will be at 5:45 p.m. with dinner following. Please wear your complete uniform to dinner. Campwide event and Campfire will follow dinner.
9. If pre-camp swim checks were not completed, after dinner you will move to the Aquatics area for your swim classification. This is required for anyone you enter the Aquatics area during your stay. Each camper will receive a "buddy tag."

At least one adult from every Pack or Den will need to attend the Adult Meeting after the Opening Campfire at the Program Hall.

The Aquatic area is designed to test a Scout's "Endurance and Courage" as they focus on activities surrounding Lake Courage and in Independence Cove. Be prepared to sign up Scouts with the Program Director during check-in. Accurate numbers are important to ensure your meals are in the right location.

The Role of the Adult

The success of all of our Cub Scout campers depends a lot on your help and support as you guide them through the camp experience. Here are some helpful things to assist you in getting the most out of your time here at camp.

Help Us Help You

We understand that your own unit's interests are the number one priority, but we welcome your assistance to make Heritage even better. We ask that you help contribute to the camp with any special skills that you have. Help is always appreciated within program areas, advancement instruction, guarding on the waterfront and service projects. Communicate any questions or issues to us in a timely manner so we can help resolve them.

Adult Meetings

Not just for leaders anymore - at least one leader, parent, or adult from each unit is encouraged to attend our informational meetings held daily at the Program Hall. You will learn more about what is going on at camp, and have an opportunity to ask questions that will enhance your experience during the week.

Youth Protection

- All adults attending camp must complete BSA Youth Protection training in advance.
- Two-deep leadership requirements must be met at all times. This means at least two adults need to attend camp with the pack/den and must be 21 years of age and be a registered leader with the BSA.
- Units attending Camp Independence that serve female Cub Scouts must provide a 21 or older female leader for female attendees.
- A 4:1 ratio of Cub Scouts to adults in camp must be maintained at all times.

PA Background Check and Clearances

All adult PA residents who will be staying at camp, whether registered with the BSA or not, will have to complete and submit required PA background clearances. This helps ensure that camp is in compliance with Pennsylvania state law and helps ensure the highest level of protection for youth participants. Parents simply dropping off or picking up their children or visiting do not need clearances. Volunteers from outside of Pennsylvania are exempt, provided they do not work with youth in PA more than 30 days in the calendar year and meet background check requirements of their state of residence. For more information and required forms, see the Summer Camp Resources page (www.lhcscouting.org/camping).

Shower and Bathroom Facilities

Separate facilities exist for Cub Scouts and adults. At no time, under any circumstances, are adults permitted to enter the youth facilities, or youth allowed to enter the adult facilities. Doing so constitutes a major violation of the BSA Youth Protection policies and may result in removal from camp.

Program Hall Shower Facility - Adult male, adult female, youth male bathrooms and showers
 Revere Shower Facility - Youth male showers
 Pathfinder Lower Restrooms - Adult female, youth female bathrooms and showers

Role of the Den Chief

helping the Cub Scouts and Webelos to have a great time

Den Chiefs play an important role in camp. Not only do they help the adults keep Scouts on task, but they are seen as role models to the younger Scouts. They tell stories of Scouting's trail that await them. Use these guidelines to orient your Den Chief's role to their role in camp:

- Help the program for the Cub Scouts run smoothly
- You are an example and role model, not a Cub Scout. Explain/Demonstrate/Guide/Enable Scout skills
- Safety: help Scouts learn the rules of camp
- Help build camp spirit and positive teamwork, cooperate with adults and staff

Youth Protection

- Help keep Scouts together, emphasize the buddy system at all times
- Observe and help your unit keep proper shower procedures
- Never scream at, shout at or hit any Scout
- Be a friend, be supportive, but avoid wrestling or horseplay
- Communicate with adults about any problems or homesickness
- Don't scare Cub Scouts with pranks or stories

Issues for Den Chiefs to Watch Out For

- No knives for Cub Scouts without adult supervision and a Whittlin' Chip
- No fires, matches or food of any kind in tents
- Work with adults and unit to adhere to camp schedule
- Help Scouts understand how to behave at campwide events and also at the campsite
- Help Scouts understand when to quiet down and go to bed

Role of the Den Chief at Program Areas

Shooting Sports

- Do not expect to shoot
- Help Scouts or parents who need help
- Show example by listening to the staff

Aquatics

- Be prepared to assist staff as additional guards (you know your Scouts)
- Do not engage in horseplay
- Help to organize Scouts at check-in area

Program Areas

- Show interest and excitement (it's contagious)
- Let the Scouts do it, but be prepared to help any Scout having problems
- Be prepared to assist the staff in organizing these activities
- Have fun, but be safe

Service Projects

- Encourage the unit to participate
- Help lead and organize

Climbing / BMX

- Assist with harnesses and helmets

Packactivities

- Help teach the Scouts the rules of each game or activity
- Ensure everyone is participating fairly
- Show good sportsmanship

Dining Hall

- Help encourage proper behavior
- Show good manners
- Be positive about the food

Campsites

- Demonstrate fire safety
- Set a good example by encouraging Scouts to keep the campsite clean

Liberty and Freedom Check-In Process

things to help you prepare for a fun, safe week

There are as many as 1,200 campers plus 180 staff sharing Heritage Reservation with your unit during an average week of camp. It is essential that we all follow some basic guidelines, procedures and policies to make sure everyone has a great time while here. Our common Scouting bonds are the Scout Oath and Law.

Saturday Early Arrival

guidelines for troops that check-in early

As a courtesy, the Laurel Highlands Council Camping Committee has made early arrival available for units traveling to camp. Early arrival is intended for units in need of religious accommodations, units travelling from a great distance, and for small unit leadership corps (SM, ASM, JASM, SPL, PL) to prepare and setup campsites prior to the arrival of the rest of the unit.

There is a \$50 fee per unit for early arrival (for up to 10 people). Extra people arriving early will be charged \$10 each. Meals are not provided.

- All early arrivals must complete the online early arrival request portion of online registration.
- Plan to arrive between 3:00 and 5:00 p.m. Please don't arrive prior to, or after this time. This is the only time during which the vehicle access gates will be open.
- You may park your unit trailer in the designated area for your campsite if it has one. Other vehicles must return to the parking lot before the gates close at 5:00 p.m.
- When arriving at camp, a unit leader must check in at the Program Hall.
- Each unit must have two adult leaders to meet youth protection guidelines.
- All program areas are off limits! No swimming is allowed. No program equipment can be requested until 12:30 p.m. on Sunday.
- Heritage vehicle access policy is enforced for all early arrivals. Only one vehicle at a time is permitted to travel to the unit's campsite, and a strict 10 MPH speed limit is enforced.
- You may use an equipment cart to haul your gear to your site on Saturday. When finished, please return it to where you found it.
- Your campsite has been set up according to the map provided on the bulletin board. If you choose to move equipment, please do so knowing that you must reset the campsite as it was before checking out on Saturday.
- Please be courteous to units that have not yet arrived in camp by respecting their campsites and equipment.
- The camp Trading Post will be open from 7:00 p.m. to 8:00 p.m.
- **On Sunday you will continue with the check-in process (pg 28).**

At least one leader from every troop will need to attend the Leaders' Meeting on Sunday at 6:45 p.m. in the Program Hall.

Check-In Day

how to make your first day at the greatest place on earth a smooth one

With many Scouts and leaders arriving and checking in at the same time, we need your help. We want to make this the easiest, fastest and most efficient check-in process you've ever experienced.

1. Upon arrival at Heritage, your unit will be directed to your camp's parking lot so that you may begin to move in on foot using our trek carts. Gates will open at 12:30 p.m. to allow in one vehicle per campsite. **Any Scouts or leaders participating in the full week Eagle Base program should be dropped off at Pathfinder Lodge near the main entrance.**
2. A member of the staff assigned to be your host will first visit your campsite and then the parking lot to meet your unit. They will then assist and lead your unit throughout the entire check-in procedure, as well as give you a complete tour of camp, so everyone is familiar with where things are located.
3. The unit leader responsible for all registration matters should report directly to the Program Hall with four copies of the unit roster, any schedule changes, and a patrol breakout for patrol cooking (Liberty). Leaders should also attach proof of PA background clearances to the leader's medical form. Other fees including guest meals and Order of the Arrow are paid during the week. Schedule changes for Scouts and Scouters are subject to class capacities.
4. Medical checks will take place in your campsite. A member of our medical check staff will visit shortly after you've moved in. Be prepared to present a copy of everyone's forms for camp (BSA Medical Form Parts ABC, Supplemental Medical Form). After a successful medical check, each Scout or Scouter will be issued a wristband.
5. Change into your swimming suits, grab a towel, put on shoes and continue to Aquatics for swim tests. On the way to Aquatics, the camp tour will make stops at the Dining Hall (Freedom), the Commissary (Liberty), and the Quartermaster building to share useful information for your week at camp.
6. After arriving in the Aquatics area, you will receive a brief orientation. This is required for anyone to enter the Aquatics area during your stay. After swim tests, each camper will be assigned a "buddy tag" which stays on the buddy board in the area.
7. Return to your campsite, review and inspect camp issued gear with your campsite host, change clothes for the evening meal (Scout uniform), and finish your campsite set-up. **Day Trek participants must meet at their respective Program Hall for an orientation meeting with signed release forms available online. Freedom at 4:00 p.m. and Liberty at 5:00 p.m.**
8. Flag lowering will be at 5:50 p.m. with dinner following. Camp Freedom in the Dining Hall and Camp Liberty will have a camp wide picnic meal near the Commissary.

Activity/Advancement Sign-Up at Camps Liberty and Freedom

- Upon request, you will receive a print out of all your Scouts/Scouters and what merit badges/activities they are registered for according to the online registration system.
- See someone in the Program Hall on the day you arrive for questions about what advancement opportunities your Scouts should take or registration procedures.

Advancement in Camp

very important stuff, please read carefully!

One of the methods of Scouting is to foster healthy association with proper role models. The genius of Scout advancement stems from the opportunity to visit with a counselor and share in the friendship, encouragement and expertise he or she may offer the Scout.

Supporting Scouting's advancement philosophy, opportunities offered at camp are geared principally to rank advancement and merit badge subjects related to the outdoors where resources are more readily available than at home.

Advancement is not the principal objective of the camp program. There needs to be time for fun and to bring a positive, successful, outdoor camping experience to all Scouts and leaders. If a Scout comes to camp and does nothing but work towards advancement, the program is certainly incomplete.

Troop leaders should be sensitive to the capacity of the individual and assure that the program a Scout pursues is appropriate to rank and age. A first year camper could work on a few merit badges such as Leatherwork, Fingerprinting, Fish and Wildlife, or Mammal Study. Scouts can also work towards advancement at the Trail to First Class program.

Troop leaders with skills in offered merit badge topics are encouraged to share their talents at the program areas. Remember, the camp staff remains responsible for the certification of the requirements.

Advancement and Your Program

very important stuff, please read carefully!

Advancement is not an end in itself, it is the result of a good program. It should be achieved through a natural experience. We should therefore plan activities which will give a Scout opportunities to use skills for a functional purpose and to demonstrate proficiency naturally. A Scout advances by doing things with the patrol, the troop, the leaders and individually. A natural experience should have these four elements: the Scout prepares; the Scout qualifies; the Scout is reviewed; and the Scout receives recognition.

The summer camp advancement program is a unit responsibility. The camp staff will guide, counsel and instruct, but is not responsible for planning or directing a troop's program.

Each unit leader should prepare a detailed advancement plan before arrival, to include:

- Setting realistic goals for each Scout. Discourage making the number of merit badges earned a primary summer camp objective. Three to four merit badges is a reasonable goal for an average 13 year old Scout.
- Review with each Scout the advancement path they plan to take. Scouts should be familiar with the requirements in advance. We recommend that they have the merit badge pamphlet for each badge.
- **Schedule Scouts as buddies.** Traveling to and from merit badge classes should be done while utilizing the buddy system to help keep Scouts safe.
- **Schedule Scouts according to camp geography.** Travel time from area to area can vary. Do your best to create schedules without excessive travel times.
- Evidence of partial completions from the Scout's local "home" counselor must be presented to the camp counselor. This could be a partial blue card, a photo evidencing completion, or a note from a unit leader.

Trail to First Class

our first year camper program

Our first year camper program has been a fantastic success in the past! With recent revisions, we are set to offer a top notch program to your newer Scouts. The program allows first year Scouts to enter a five-day program which mixes outdoor skills, Scouting values, and FUN! Multiple offerings of the five core skill sets allow for low instructor to camper ratio. Trail to First Class incorporates the majority of rank requirements from Tenderfoot to First Class, as well as a variety of classic Scouting games and activities. Our schedule for this year incorporates several first year appropriate merit badges for Scouts to earn.

- Leader's assistance in the area is always welcome, and troops that send more than five Scouts are encouraged to send at least one leader. See page 36 for detailed information.

Merit Badge Program

very important stuff, please read carefully!

Scouts will attend a number of instruction and review sessions with the counselors. A few things to keep in mind:

- Just because a Scout attends a session, this does not mean that they pass the requirements that were taught that day. Scouts are usually taught as a group, but are reviewed individually.
- Leaders should make an effort to sign Scouts up for classes with a buddy to help with travel to and from merit badge classes.
- Instruction begins on Mondays for most badges. However, work can be started at any time throughout the week on most badges. Please see the Area Director in each program area if a Scout would like to begin a badge mid-week. Scouts who begin badges mid-week typically will not complete the badge at camp.
- If a Scout is going to miss an instruction session, they need to let the counselor know to set up a make-up appointment.
- Troop leaders are encouraged to monitor the progress of their Scouts in each merit badge. Daily reports will be available through the Program Halls to help keep troop leaders informed about the status of each Scout's advancement.
- Counselors maintain instruction records for each badge, noting each Scout's attendance and progress in completing requirements. We maintain a record of this after camp at Flag Plaza Scout Center.
- On Friday evening after the campfire, merit badge cards are signed by members of the staff and are made available for inspection in by troop leaders.

Merit Badge Cards

A Scout must present the counselor with a merit badge card signed by their Scoutmaster. Merit Badge Applications (blue cards) will be collected by the respective instructors on the first day of class. Heritage Reservation will accept the standard three-part merit badge cards issued by National Supply.

Merit Badge Preparation

Each Scout should determine what merit badges they want to work on before they get to camp and complete preparation on as many requirements as possible before camp. Many merit badges cannot be completed at camp without some prior work or preparation. If this prior work is not done, the Scout can only earn a partial in those merit badges at camp. The Scout must bring evidence of work completed, either a merit badge card with completed requirements signed by a counselor or a note from a unit leader. The camp staff will not abbreviate or short cut any requirements.

All About Prerequisites

understanding what can be done in camp and out of camp

Starting Requirements (SR)

These are requirements that the Scout needs to complete before taking the merit badge/activity. For example, a Scout must complete Canoeing or Kayaking Merit Badge before starting Whitewater Merit Badge. If the Scout has not completed these starting requirements, shown with an (SR) before coming to Heritage, they will not be able to sign up for the merit badge/activity. See the example below.

Prerequisites (P)

These are requirements that the Scout needs to complete before camp if they want to complete the merit badge/activity while at camp. For example, a Scout must complete requirement 2b of Photography before coming to Heritage if they want to complete it while at camp. Prerequisites are shown with a (P) noting under the requirement column. See the example below. The Scout must bring evidence of work completed, either a merit badge card with completed requirements signed by a counselor or a note from a unit leader.

Post Camp Requirements (PC)

These are requirements that the Scout will need to complete after camp. Post Camp Requirements are shown in the requirements column listed with a (PC). See the example below. The Scout can complete the merit badge at home once the post camp requirements have been fulfilled.

Levels of Difficulty

Listed in parentheses after each merit badge/activity is a letter that indicates its difficulty.

- (A) - Difficult merit badge/activity, for older Scouts with three or more years in Scouting.
- (B) - Appropriate for advancing Scouts with two or more years in Scouting.
- (C) - Easy merit badge/activity, appropriate for all Scouts.

Comments

Comments listed for each merit badge/activity provide additional details that will help you in your planning and preparations.

Merit badge	Requirements*	Comments
Archery (B)	None	Extra practice time needed
Small-Boat Sailing (B)	Be a Swimmer (SR)	CPR certification card fulfills Req. 1b
Fire Safety (C)	Req. 6ab (P), 11 (P)	None

***Requirement numbers listed are taken from the Merit Badge Requirements listing on www.scouting.org. Merit badge pamphlets may have incorrect or outdated requirements listed, so please refer to the website or current Scouts, BSA Requirements Book when inquiring about requirement specifics.**

Completing Requirements After Camp

Sometimes it is not possible to complete all of the merit badge requirements at camp due to time requirements, approvals and/or proper instruction. As a result, Scouts will receive a partial at camp and are encouraged to find an approved troop or district counselor to finish at home.

Trail to First Class

Trail to First Class offers opportunities to help young Scouts progress toward rank advancement. The schedules are designed to cover the requirements that naturally fit into the camp setting focusing on Scouting skills. Each Scout will receive a TFC Passport that tracks their accomplishments throughout the week. This serves as a record for leaders to sign-off Scout Handbooks at the end of the week.

The patrol method is heavily emphasized in Trail to First Class and Scouts will function in patrols throughout their week. Trail to First Class Scouts will sign up for a 9:00 a.m. - 12:00 p.m. program that encompasses rank requirements. Participants may choose to earn Basketry and Fingerprinting or Mammal Study and Nature during merit badge instruction in the afternoon.

If a Scout only needs help on a few requirements, they should sign up for merit badges and come to Trail to First Class during open program. Open program at Trail to First Class runs from 3:00 - 5:00 p.m. and is a good way to make up missed requirements or to complete new ones.

Trail to First Class Scouts also have the opportunity this year to participate in a Trail to Outpost Overnighter. This optional trip will focus on wilderness survival skills and campsite cooking. **To participate in this trip, Scouts must bring their own tent and sleeping gear.**

Day Trek

Day Trek is a fantastic adventure for that older Scout who is staying with the troop, but is not participating in the merit badge program. Shortly after breakfast, Scouts will join our Eagle Base day program for high adventure activities before returning to Camp Liberty or Camp Freedom at approximately 5:00 p.m.

Evenings are spent in Freedom or Liberty participating in campwide programs with the rest of the Scout's troop, therefore Day Trek campers may not participate in Eagle Base evening program. During the day, Scouts can select from adventures including caving, whitewater rafting, mountain biking, and sporting clays, but will not be able to earn merit badges during program time. **Refer to page 48 for required equipment for Eagle Base Program.**

Although Day Trek participants stay at Liberty or Freedom, activity registration is completed in the Eagle Base section of the online registration system. There is an additional fee of \$50 to participate in the Day Trek program. Payments are made through your camp's registration by choosing the Freedom/Liberty Day Trek option.

Participants must meet at the Program Hall on Sunday for an orientation meeting - bring completed vendor release forms (www.lhcscouting.org/camping).

Monday through Friday participants meet at the entrance to the Chapel in the Liberty Parking lot at 8:40 a.m. to be transported to the daily activities.

Adult Leader Training

Scoutmaster Position Specific Training

Monday, 9:30 a.m. - 12:00 p.m., 2:00- 4:00 p.m.

How effectively the Boy Scouts of America influences the lives of youth depends on its leaders and their ability to apply the aims and methods of Scouting - these are the keys, and developing the ability to use these keys is what this course is all about. All adults connected to a Scouts, BSA troop are welcome to attend. Sessions are dependent on interest and staffing.

Intro to Outdoor Leadership Skills

Tuesday - Friday, 9:30 a.m. - 12:00 p.m., 2:00 - 4:00 p.m.

Specifically, this hands-on program gives adult leaders a practical introduction to the patrol method of a youth-led troop by teaching many of the practical outdoor skills they need to lead Scouts in the outdoors. In addition, the teaching methods, activities, and games model the variety of teaching used in effective and engaging Scouting programs. Sessions are dependent on interest and staffing.

Swimming and Water Rescue & Paddlecraft Safety

Aquatics: these Boy Scouts of America courses replace BSA Lifeguard for unit level swimming and boating activities. Each course is ten hours long and is contingent upon interest and staffing.

Additional Trainings

If you are interested in taking any other trainings including Climb on Safely, Trek Safely, Safe Swim Defense, Safety Afloat, BSA Lifeguard or Leave No Trace, please visit the Program Hall to speak with one of our staff members. Sessions are dependent on interest and staffing.

All adult leaders are encouraged to pre-register for training sessions using our online registration system. Registration opens April 15 and runs through one week before camp.

The Order of the Arrow (OA) plays a vital role in the camping program of our council. Those who are honor Scouts in their units are recognized through their election to the OA. The objective of Allohak Menewi Lodge #57 is to promote the camping program of the council, to recognize honor campers and to provide opportunities for cheerful service.

Meetings

There will be one meeting for all OA members at 1:15 p.m. Tuesday at the Program Hall to discuss preparations for the OA ceremonies on Wednesday and Thursday evenings.

Home Troop Election

Since 2015, home troop elections are the only way to elect candidates. Elections will not be held at summer camp.

A troop election should be conducted at a predetermined troop meeting. Home Troop Elections are to be held anytime up through May 15, by an authorized representative. Elections are to be coordinated by the chapter (Service Area) in which your troop is located and can be requested by contacting your Chapter Advisor.

Calling-Out Ceremony

The Order of the Arrow callout ceremony will take place on Wednesday night. Parents are welcome to attend, however, pets are not permitted. This is a unique opportunity for Scouts and Scouters to be recognized for their contributions to their troops. Per National OA guidelines, out of Council units wishing to participate in a callout Ceremony while at camp will either need to bring or have sent to camp a letter from their home lodge granting permission to conduct the callout.

Brotherhood Induction

Ordeal members eligible to seal their membership in the OA (a current member with ten months tenure since Ordeal completion) can take part in the Brotherhood induction process at camp. Brotherhood counseling will take place on Monday through Thursday shortly after lunch; the camp OA coordinator will designate an exact time and location. The Brotherhood induction ceremony will take place on Thursday evening. Each member completing Brotherhood membership during camp will pay a fee to cover the cost of the Brotherhood sash. This fee must be paid at the Program Hall before the candidate can participate in the Brotherhood ceremony.

Order of the Arrow Summer Service Award

Under the direction of the Camp OA Commissioner, Order of the Arrow members may complete one task related to the Brotherhood ceremony and one task related to the Calling Out ceremony to receive a special recognition item. An approved service project may be substituted at the Lodge's discretion.

Trading Post

snacks, camping equipment and souvenirs for all

In addition to our online store, the Trading Post is provided as a service to campers. The store is stocked with a supply of program materials, literature, merit badge supplies, fishing gear, camping gear, clothing, patches, collectibles, souvenirs, snacks, candy, pop, ice cream and various personal items. The average camper spends \$100 in the camp store. For ease of purchase, please consider purchasing one of our convenient Heritage gift cards before camp. More information can be found on page 8.

Campsites

the amenities away from home

- Campers stay in camp-provided wall tents, with wooden floors to keep campers off the ground.
- Each unit will camp together, two youth to a tent and two adults to a tent.
- Campers are provided a cot to sleep on.
- Adults sleep in separate tents from youth. Male and female youth will not share a tent.
- Male and female adults will sleep separately unless married to each other.
- Scouts should not share a tent if they are more than two years apart in age.
- **Campsite will be set with equipment to the capacity listed in the system.** If a unit will exceed the capacity, one of these options must be chosen:
 - 1) Move to a larger campsite that will accommodate the entire group
 - 2) Split the group between multiple campsites
 - 3) Bring equipment to supplement what is offered at the campsite
 - 4) Only if available, sign out extra equipment from the QM to be returned at week's end.

Each campsite has a water source with potable water (safe for drinking) and a fire ring for campfires. Please do not create additional fire rings.

Showers and Latrines

- Several shower buildings are available in each camp. They are designated for youth male, youth female, adult male, or adult female. Please respect the privacy of others. Units will be responsible for signing up to clean a shower building during their stay.

Dining Halls

The Dining Halls at Camp Freedom, Independence, and Eagle Base provide campers with excellent food service. During the Sunday check-in, the Dining Hall Manager will review all procedures with your unit, helping to ensure an enjoyable dining experience all week. All meals provided through the camp food service will be peanut/nut free.

Cafeteria Style Dining

Campers at Independence and Eagle Base will eat meals “cafeteria style” in the Dining Halls. Scouts and leaders will progress through a buffet line and served food and drink by our staff.

Family Style Dining

At Camp Freedom, we serve meals “family style.” The food is sent out to each table (10 seats) in serving bowls and platters. This is done by the use of a rotating waiter system. Each unit is assigned to a number of tables in the dining area for the week. An adult from each unit is required to sit at a table with the Scouts. Portion control is essential to the success of “family style” dining. The adult and waiter at each table have the duty to make sure everyone has an equal portion before anyone starts eating. A Scout is courteous and kind!

Table Waiters

- Waiters rotate throughout the week. It isn’t assigned to all of the new Scouts. Older, more experienced Scouts are needed to train first time campers on the waiter system.
- When two troops have odd numbers and cannot fill a table, another troop in the same situation will be placed together at the same table. It will be the responsibility of the troops to set-up a fair waiter system. A Scout is friendly.
- Waiters arrive at the Dining Hall 20 minutes prior to each meal. It is important to be prompt. The Dining Hall Manager gives all waiters instructions on their responsibilities at each meal. They set the table, get staff totems, and retrieve for their table.
- Waiters also clean-up after the meal and are dismissed from the Dining Hall by the Dining Hall Manager.

Dietary, Religious and Special Food Requests

The camps at Heritage Reservation do their best to accommodate for dietary, religious or special food needs, and can store any special foods brought to camp on a limited basis. Storage is available in our Dining Hall/Commissary refrigeration. Please do not bring peanut/ tree-nut based products into the Dining Hall.

Nutrition Group, Inc. is contracted to provide all of Heritage Reservation’s food and menu needs. The menus are carefully prepared to meet as many needs as possible for all campers. Camp menus will be posted in May on our web site. Please review them and share any special needs via the online Special Diet Request form (www.lhscouting.org/camping). This form must be submitted two weeks prior to arriving at camp to ensure adequate preparation.

Accommodations can only be made for special dietary situations of which we are aware.

Patrol Cooking

The success of the patrol cooking method has stood the test of time and is well proven. Concern over the time it takes a patrol to cook has been addressed. The meal plan includes cooking for breakfast, limited cooking for lunch, and only cooking five dinners. This provides plenty of time to enjoy the camp programs and advancement opportunities.

Preparing meals in camp is an integral part of the program at Camp Liberty. It is one of the best ways of implementing the patrol method. Encourage and direct your Scouts to follow the plan, taking turns at jobs, preparing the meals completely and cleaning up thoroughly after each meal.

Menus and Food Preparation

The menu for all meals to be served at camp has been thoroughly reviewed and field-tested. They are wholesome, plentiful and have youth appeal. The preparation instructions are written, so that Scouts can easily follow them. Expert skill is not required to produce a satisfactory meal. By following the instructions as they are written, the meal will be enjoyed by all.

Recipes will be distributed to each patrol when the food is issued. Care must be taken to follow them exactly. Experimentation should not be allowed unless an adult leader is present. Your staff guides or commissioner will work with any of your patrols that require additional help. Spice jars are for sale in the Trading Post to enhance the flavor of your food.

Food Pick Up (7:00 a.m. - Breakfast, 12:00 p.m. - Lunch, 5:00 p.m. - Dinner)

Food will be picked up at the Commissary by each patrol or crew for each meal. For health reasons, remaining milk should never be put into a cooler, but rather discarded. Any plastic containers used for food issue must be cleaned and returned to the Commissary when picking up the next meal. It is recommended that a leader help with pick up to ensure a proper count on all meal ingredients.

Personal Equipment

Scouts and leaders need to bring their personal equipment including their own water bottle and eating utensils. These items will not be supplied by camp. Leaders should reproduce the enclosed personal equipment checklist (pg 47) and hand it out to all Scouts.

Dishwashing

Adult leaders are asked to give close attention to the thoroughness of patrol/crew cleanup. Here are some procedures to maintain good health:

- No washing of dishes in or near water stand and latrine.
- Make sure wash water is hot and sanitizing water is hot.

Staple Issue

An initial supply of staple items such as salt, pepper, sugar, dish soap, oil, etc. will be made on Sunday afternoon when picking up each patrol's pack baskets. These are to be kept throughout the week in the cooking box only. Reissue of these items will be made on "as needed" basis. Unit leaders are asked to take the necessary precautions to insure the proper use (and not waste) of these items. Sanitation tablets will be issued at the beginning of the week.

Ice Coolers - Food Storage

The camp will attempt to provide one coupon for a bag of ice per day to each patrol/crew at lunch for cold drinks. Ice from this machine is not designed to keep unit coolers stocked. Additional ice may be purchased from the Trading Post. Health regulations are very clear about the dangers of keeping milk, meats and other items in ice coolers. The proper temperature level cannot be maintained in coolers to store most foods safely. It is practical to only store certain drinks, but not milk. As a general warning, storing any type of food in the campsite will attract animals.

Charcoal and Propane (Camp Liberty)

Units will receive one coupon for an 18.5 lb bag of charcoal for every 20 Scouts. This can be used to help prepare dutch oven desserts and Friday dinner. Additional charcoal is available for sale in the Trading Post. All 20-pound propane cylinders are filled each week and will provide more than enough fuel to cook all of your meals and heat dishwasher during your week at camp. If a patrol/crew, through wasteful use of propane, runs out of fuel, the unit will be charged up to \$50 for an additional cylinder.

No other accessories, such as lanterns or additional stoves may be attached to the Heritage propane cylinders or stoves. This practice is necessary to prevent propane leaks and in order to extend the lifetime of the fittings. If a patrol/crew tampers with the fittings or regulator on their stove, it will be charged \$25 for a new hose and fittings.

Set up stoves so that the windshields are facing into the prevailing breeze. Do not place the stove directly under the dining tarp; this can damage the tarp and create a fire hazard. An adult leader must be present in the campsite and must supervise the lighting and use of propane stoves.

Dishwater Disposal

A sump box for dishwater disposal is available in each campsite. All dishwater must be disposed of by using this box. Do not allow the Scouts to dispose of dishwater in any other manner. The funnel and strainer at the sump box must be cleaned daily. Your staff guide will instruct you on proper use of this facility.

Garbage and Trash Disposal

Garbage bags will be provided for transporting garbage to the dumpsters located in the parking lot. Garbage should be brought out of the campsite after each dinner. Your staff guide will give you additional information about trash disposal and recycling.

Buffet Meals

Sunday dinner will be served to the entire camp "buffet style" at the Commissary and requires no preparation by the patrol or crew.

Patrol Box Check-Out / Check-In

Patrol boxes issued to units will be inventoried by the unit upon check-out to ensure all equipment is included in the box. At the end of the week, units will sign up for an appointment to clean and inventory their boxes at the Quartermaster building. Washing, rinsing, and sanitizing of all wares is required by PA Health Department regulations. Units may be billed for missing equipment, or equipment with excessive wear.

Camp Health Services

the ins and outs of staying healthy at camp

Health Officers provide emergency care 24 hours a day, and coordinate with local EMS personnel if the situation warrants. They also evaluate and treat in-camp illness and injuries, referring patients to Uniontown Hospital or other non-emergency facilities as necessary.

Medical Screening in Camp

Upon arrival to camp, each camper will undergo a face-to-face medical screening with a Health Officer or trained designee and receive a wristband. This will occur as part of the check-in process. For campers arriving later in the week, they must submit their medical forms at the Program Hall upon arriving on property. **Medical forms not picked up at week's end will be destroyed.**

Annual Health and Medical Record

All campers are required to use of the Annual Health and Medical Record (#680-001). Camps Liberty, Freedom, Eagle Base, and Independence four-day sessions require parts A, B, and C. Independence three-day sessions require only parts A and B.

Supplemental Medical Form

Each camper must also present a Supplemental Medical Screening Form at check-in. This form helps us meet several National Scouts, BSA standards, and comply with certain federal and state laws. A new supplemental form must be completed each summer.

CPAP Machines

Heritage Reservation strives to provide accommodations to our campers that require use of a doctor prescribed CPAP machine. Please plan to provide a rechargeable power source for your machine. Access to electricity in campsites is limited and you may be relocated.

Illness & Injury

A Health Officer will visit each camp daily for the purpose of Sick Call. Sick Call is the best time for a non-urgent ill camper to be evaluated by a Health Officer. Sick Call occurs in the Program Halls, Pathfinder Lodge for Eagle Base. The schedule will be posted in the camp Program Hall and given to your unit upon check-in.

Accommodations for Scouts with Limited Mobility

Heritage Reservation is proud to offer a camp golf cart that is available for use by Scouts with mobility issues. It must be driven by a licensed adult over the age of 21. This golf cart is reserved on a first-come, first-served basis by contacting our LHC Camping Department at (412) 325-7921.

Prescription Medication

Due to the number of campers at Heritage Reservation, unit leaders are responsible for administering and maintaining security of prescription medication. Plan for this by bringing a locking storage box to securely store unit medications. Refrigerated storage under lock and key is available in the Program Hall.

Emergencies

If an emergency occurs in camp, the easiest way to obtain immediate assistance is to notify a camp staff member. He or she will notify a Reservation Health Officer, who will respond to the scene. The Health Officer will summon emergency medical services if necessary.

Immunizations

The BSA requires tetanus shots for anyone attending BSA programs or activities where an Annual Health and Medical record is required. Other age appropriate immunizations including those protecting against measles, meningococcal disease, influenza, and other maladies are strongly recommended by the BSA. Exceptions to tetanus immunizations will be accepted for medical, religious, or philosophical reasons. Individuals requesting an exemption must complete a BSA Immunization Exemption request form to be turned in with your Annual Health and Medical record at check-in.

Uniontown Hospital and MedExpress

Patients that require diagnostic services and treatment beyond the scope of Heritage Reservation Health Services will be referred to the Uniontown Hospital or MedExpress by the Reservation Health Officer. Patients whose condition warrants will be sent by ambulance. However, for most patients, transport by automobile is sufficient.

Insurance For Camp

just in case... be prepared

Insurance (Laurel Highlands Council)

All Laurel Highlands Council units are covered under the Council accident and sickness policy with Health Special Risk, Inc. (HSR). The insurance covers all registered members of your unit. As long as your unit premium was submitted to the Council office during your re-chartering process, you do not need to bring proof of unit insurance to camp.

Insurance (Out of Council Units)

Each unit is required by council policy to provide proof of current accident and sickness insurance covering all Scouts. This is the same policy that your unit should already have. A copy of the unit's Description of Coverage and Claim Form must be presented at check-in.

Coverage (Laurel Highlands Council)

The HSR (Health Special Risk) Accident and Sickness insurance is a supplemental insurance. Initial claims must be made on the family's medical insurance. Any charges that are not covered initially by the family's medical insurance can be submitted to HSR using the proper claim form with invoices showing balances due. For families without their own medical insurance, HSR will step in as primary insurance coverage.

Camp-Wide Emergencies

a run-down of what to do

- In the event of a camp-wide emergency such as a missing camper or lost swimmer, the camp siren may sound, at which time, all adults and Scouts are instructed to report to:
 - Liberty: your campsite - account for everyone and send two runners to the Program Hall to check in and receive further information/instructions.
 - Freedom/Independence: the Dining Hall - account for everyone and check in with a staff member and wait to receive further information/instructions.
 - Eagle Base: Pathfinder Lodge - account for everyone and check in with a staff member and wait to receive further information/instructions.
- In the event of severe weather, camp staff will constantly monitor weather reports and share information as needed. Should weather move in quickly, seek shelter in a building or pavilion immediately as you see fit.
- Anyone who becomes aware of an emergency situation or danger should notify the nearest staff member who will contact the appropriate camp leadership.
- Any information in regards to an unauthorized visitor, dangerous animal or bomb threat, should be reported to a staff member immediately.

Pre-Camp Swim Classification

information on taking your swim classifications before camp

Units are encouraged to complete a swim classification prior to their arrival. By participating, you will save valuable campsite setup time on check-in day. This will also make it easier to do individual unit aquatics activities before you come to camp.

- Units may complete their swim classification through one of several swim nights in the spring. As locations and dates are secured they will be posted online.
- Trained staff members will certify that each Scout and Scouter completing the classification meets the requirements for their skill level.
- Units may also complete swim classifications prior to camp on their own. A BSA Lifeguard, Red Cross Lifeguard or equivalent must administer the classification records and certify the results.
- Forms and procedures for unit run swim classifications are available online.
- If you are offering a unit swim night and have the ability to support more than just your unit, please contact the LHC Camping Department so we can share this with other units.

Qualification Levels

- SWIMMER: allows Scouts to swim in all swim areas and boat in open areas of the lake.
- BEGINNER: allows boating in rowboats or paddle boats and swimming.
- NON-SWIMMER: permits wading and boating only with qualified accompaniment.

Swimmers Classification

Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen or crawl (no dog-paddle); then swim 25 yards using an easy, resting elementary backstroke. The 100 yards must be completed in one swim without stops and include at least one sharp turn. After completing the swim, rest by floating.

Beginners Classification

Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before and return to starting place.

Our Aquatics Directors reserve the right to reverify swim classifications if needed.

If you are offering a unit or district swim night and have the ability to support more than just your unit, please contact the LHC Camping Department so we can share this with other units.

Preventing Harassment and Bullying in Camp

making sure everyone has a safe experience

Harassment is defined as occurring when an individual engages in unwanted conduct which has the purpose or effect of violating another person's dignity, or creating an intimidating, hostile, degrading or offensive environment for that person. Harassment can take a variety of different forms and can be written, verbal, nonverbal or transmitted electronically.

Bullying is defined as the exercise of power over another person through persistent, negative acts or behavior that personally undermines an individual. Bullying can be threatening, insulting, abusive, disparaging or intimidating behavior on the recipient.

Summer camp is a place for all Scouts, Scouters, and Staff to experience a fun and rewarding outdoor program. Maintaining a safe environment for everyone is conducive to such a program. Harassment and bullying will not be tolerated, and are grounds for immediate dismissal from camp without refund.

Youth Protection in Camp

making sure every youth has a safe experience

These policies have been adopted to provide security for Boy Scouts of America youth at Heritage Reservation. In addition, they serve to protect the adult leadership from situations where they may be vulnerable to allegations of abuse. These policies represent the long-standing commitment that the Boy Scouts of America use in ensuring the protection of youth.

All adults camping at Heritage Reservation are required to have successfully completed BSA Youth Protection training and obtained the required PA Background checks and clearances.

Two-Deep Leadership

Two-deep leadership requirements must be met at all times. This means at least two adults need to attend camp with the pack/den and must be 21 years of age and be a registered leader with the BSA. Units attending Camp Independence that serve female Cub Scouts must provide a 21 or older female leader for female attendees.

No One-on-One Contact

One-on-one contact between adults and youth members is not permitted. In situations that require personal conferences, the meeting is to be conducted in view of other adults and Scouts. This rule also applies to adult-to-staff member contact.

Respect of Privacy

Adult leaders must respect the privacy of youth members in situations such as changing into swimming suits or taking showers and intrude only to the extent that health and safety requires. Similarly, adults also need to protect their own privacy in such situations. Separate showering facilities are utilized at camp - one for youth males (under the age of 18), one for youth females, one for adult males (18+) and one for adult females. The privacy of others using those facilities must be respected and not adhering to this policy could cause for the removal from camp. Some shower facilities will have times restricted for staff use only.

Separate Accommodations

When camping, no youth is permitted to sleep in the tent of an adult, other than their own parent or guardian. Males must sleep with males; females must sleep with females. The only mixed-gender accommodations allowed are among adults married to each other. No youth member may share a tent with another youth where the age difference is greater than 2 years.

No Secret Organizations

There are no "secret" organizations recognized by the Boy Scouts of America. All aspects of the Scouting program are open to observation by parents and leaders.

Appropriate Attire

Proper clothing for activities is required; ie, skinny-dipping is not appropriate in Scouting. T-shirts are required at all times while not in Aquatics. Female swimmers are asked to wear a one-piece bathing suit.

Constructive Discipline

Discipline used in Scouting should be constructive and reflect Scouting's values. Corporal punishments are never permitted.

Hazing Prohibited

Hazing and initiations are prohibited and may not be included as part of any Scouting activity.

Junior Leadership Training and Supervision

Adult leaders must monitor and guide the leadership techniques used by junior leaders and see that Boy Scouts of America policies are followed.

Mandatory Report of Child Abuse

All persons involved in Scouting shall report to local authorities any good-faith suspicion or belief that any child is or has been physically or sexually abused, physically or emotionally neglected, exposed to any form of violence or threat, exposed to any form of sexual exploitation, including the possession, manufacture, or distribution of child pornography, online solicitation, enticement, or showing of obscene material. You may not abdicate this reporting responsibility to any other person.

Steps to Reporting Child Abuse

1. Ensure the child is in a safe environment.
2. In cases of child abuse or medical emergencies, call 911 immediately. If the suspected abuse is in the Scout's home or family, you are required to call the child abuse hotline.
3. Notify the Scout executive or his/her designee.

If you think any of the BSA's Youth Protection policies have been violated, including those described within Scouting's Barriers to Abuse, you must notify your local council Scout executive or his/her designee so appropriate action can be taken for the safety of our Scouts.

Policies and Procedures

things to help you prepare for a fun, safe week

There are as many as 1,200 campers plus 180 staff sharing Heritage Reservation with your unit during an average week of camp. It is essential that we all obey some basic guidelines to make sure everyone has a great time while here. Our common Scouting bonds are the Scout Oath and Law. Here are a few more policies that will make life easier in camp.

Firearms, Archery and Boating Equipment

Heritage Reservation provides all guns, archery and boating equipment for our programs. No personal equipment is allowed in camp. There are no exceptions to this policy.

Money and Valuables

Leaders and campers are encouraged not to bring valuables to camp. There is not a system at camp to secure these items. Heritage Reservation cannot take responsibility for any valuable items. Put names on every item prior to arriving at camp. Lock valuables in your car or in the unit trailer. Leaders are encouraged to help youth keep track of their trading post money.

Scout Camper Eligibility

All youth must be registered members of the Boy Scouts of America to attend camp. All adults accompanying a Scouts, BSA troop for more than 72 hours must be registered members of the Boy Scouts of America.

Roll Call

A current unit roster must be kept in camp with the adult in charge. Attendance should be taken prior to each meal, before bed and in the morning prior to reveille. If a Scout should be missing, contact the nearest staff member immediately.

Stone Throwing

Stone throwing seems natural, but it can cause serious injury. It will not be tolerated outside of appropriate ranges and constitutes cause for sending a camper home.

Alcohol and Tobacco Products (Including Vape / E-Cigarettes)

Alcohol is strictly prohibited on the property. Violation of this policy will result in dismissal from camp with no opportunity for a refund. All buildings at Heritage Reservation are tobacco-free. If you have the desire to use tobacco or vape products and cannot refrain from doing so, please do so in the designated areas and not in front of the Scouts. Tobacco use is not permitted near gas tanks or gas boxes, both are clearly marked. We also ask that you assure your cigarette or cigar is out and disposed of properly.

Visitors

Parents and family are free to visit camp. Please park in the parking lots. All visitors to Heritage Reservation are asked to sign-in at Keystone Lodge for Eagle Base or one the respective Program Halls and receive a wristband. Under no circumstances can a Scout be taken home without notifying the unit leader and the camp office by signing out and providing a release of minor form.

Wristbands

All Scouts, leaders and guests must wear camp wristbands at all times. These bands are intended as a safety precaution to determine who should be in camp, where they should be and to signify that each participant wearing one has completed the proper camp check-in procedures. Wristbands are issued during the medical recheck. Replacement wristbands are available in the Program Halls. Staff members will wear photo identification badges. If you see someone without a wristband or badge, please alert the staff.

Program Halls

Each of the Program Halls is open 24 hours a day. They are used as a leaders lounge, as well as the administrative offices of the camps. Tea and coffee are available. There is always someone in the building to assist you. This is the place to go with any camp emergencies.

Fishing Policy

No live bait except worms and night crawlers may be used in Lake Courage at any time. Fishing is not permitted in any swimming areas or from any boating docks. Lines should not be cast towards swimming area ropes or any type of floating device anchored for marking, safety or direction. No fishing from any craft, except rowboats-without permission of the Aquatics staff. All fishing is catch and release.

Camp Boats and Fishing

Only rowboats may be used and must include an adult. The craft may not be taken out under adverse weather conditions. Craft must be left clean, oars and life jackets returned as instructed, and all trash removed from the area. The Aquatics Director must be informed in advance each time the crafts are to be used for fishing purposes. No motors are permitted.

Camp Equipment

All items issued to units are the responsibility of the Unit through the unit camp leader. Units are responsible for reimbursement to the council for lost or damaged items. A complete inventory of these will be provided and must be signed for by the unit camp leader. A Scout is trustworthy. Please let us know if something gets lost or damaged. Don't hide it!

Damage to equipment such as tents, tarps, cots and tables will be assessed according to a schedule available in the camp office. Leaders should check all equipment for condition as soon as possible after arrival and arrange for exchange of defective equipment, or have staff representatives note deficiencies on inventory sheet.

In the event of purposeful vandalism to any camp equipment or facilities, the individual responsible will be charged the appropriate repair or replacement cost of the item and may be asked to leave camp. If it is unknown who committed the vandalism, all units within the camp will be charged the same repair or replacement cost.

Leaving Camp

A sign-out/sign-in log is kept in the camp office and must be used by anyone leaving camp (and later upon his or her return). Scouts are not permitted to leave camp without the written permission from their unit leaders and Camp Director and must have a Release of Campers Who are Minors form properly filled out before they can leave camp.

Vehicle Access

Unrestricted use of private vehicles during arrival and departure from camps and during the week creates a great hazard to Scouts and leaders on foot as well as excessive wear and damage to utility lines. All vehicles will be directed to the parking lot(s) of the respective camp. THE SPEED LIMIT IN CAMP IS 10 MPH. Please obey it; we are responsible for your children, so please respect this and drive accordingly while in camp. Driving in and around camp beyond the parking lots is a hazard with the amount of foot traffic. It is therefore prohibited. Only Heritage Reservation vehicles are permitted beyond the parking lots.

During check-in and check-out, each unit may designate one motor vehicle to unload and load equipment and baggage. Upon arrival, each unit will receive one vehicle pass that must be displayed to allow that vehicle to proceed beyond the camp parking lot gate to the unit's camp site. This pass will be returned to the site-guide when Sunday check-in has concluded.

Unit Trailers

One trailer may be left at the unit's campsite during the week at camp only if there is a designated trailer space at the site. No motor vehicle may be left in camp after arrival and check-in is completed. Trailers not left in designated spaces must be parked in the camp parking lot.

Handcarts

Each of the camps will provide a handcart to each campsite for light-duty hauling during the unit's week at camp. Handcarts will be numbered and assigned to the senior adult leader in each site and that leader will be responsible for care, use and return of the cart.

Lost & Found

All camps located at Heritage Reservation will hold any items for two weeks following the last day of camp. Articles may be retrieved by claiming the item in person at the applicable camp's business office. Items not claimed within the two-week period will be disposed of or donated.

Firewood

Due to the threat of Emerald Ashborer and other pests, it is the current policy of the Laurel Highlands Council Camping Outdoor Program and Properties Committees to prohibit the movement of firewood of all types and species into our camps. All of the surrounding counties currently have additional quarantines to prevent the spread of plant pests. Each of our camps have a limited amount of fallen trees and this can be gathered and burned while in camp. The cutting of standing timber is not allowed at any of our facilities.

Shoes

Closed-toed footwear is required everywhere in camp except for the waterfronts. Soft soled shoes should be used in all boats. This is to prevent foot injuries due to trip hazards.

Bicycles

For health and safety reasons, personal bicycles are not permitted to be ridden in any of our camps. There are no exceptions to this policy.

Cliffs, Boulders and Rock Formations

These areas found throughout camp are off limits! Please supervise your Scouts and make sure that they understand the safety issues of these areas in camp.

Pets

Pets are not allowed on property. Exceptions will be made for medical assistance dogs.

Potomac Homes and Staff Areas

These areas are off limits to all campers, both Scouts and adults.

Liquid Fuels

Use of liquefied petroleum (LP), propane or butane lanterns and stoves is permitted in needed situations with proper safety control and adult supervision. The convenience and relative safety of LP gas allows its approved use under conditions of proper installation and control. A responsible adult should handle replacement and disposal of empty cylinders.

Low-pressure, liquid fuel (“white gas” and Coleman fuel) stoves and lanterns are hazardous and are therefore prohibited on council camping property except for high adventure and backpacking training. In such cases, responsible adult supervision is required.

The use of liquid fuels for starting any type of fire is prohibited, including damp wood, charcoal or ceremonial campfires. Kerosene for lanterns should be kept in well-marked safety cans and stored in a ventilated, locked box located away from buildings and tents. Plastic containers are not permitted. The use of gasoline in camp is strictly limited to motors only.

The use of petroleum or coal based liquid fuels, including kerosene or diesel fuel, is prohibited for torches, trail flares or other open burning devices. Suitable alternatives include luminaries (candles in sand-weighted paper bags) for trail flares or commercially available torches using electricity or clean-burning, environmentally acceptable fuels.

Frequently Asked Questions

typical questions asked at a unit promotion

Administrative

Do adults who attend camp need to complete PA Background Clearances?

Yes. All adult PA residents who will be staying at camp overnight, whether registered with the BSA or not, will have to complete and submit required PA background clearances. This helps ensure that camp is in compliance with Pennsylvania law and helps ensure the highest level of protection for youth participants. Parents simply dropping off or picking up their children or visiting do not need clearances. Volunteers from outside of Pennsylvania are exempt provided they do not work with youth in PA more than 30 days in the calendar year and meet background check requirements of their state of residence. All adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive. Please provide copies of clearance forms at check in. Copies provided will not be returned.

What training do leaders need to have to go to camp?

All adults attending camp, regardless of BSA registration status, must complete the BSA's Youth Protection Training and have current training through the entire term of attendance. In addition, all registered adults must meet current training requirements for their position. This may vary depending upon the council in which they are registered.

What are the procedures for problems/emergencies?

Safety is everyone's primary concern at all times during camp. Our staff leaders are trained at National Camping School in how to deal with problems and emergencies and extensive emergency procedures have been developed for each camp in coordination with emergency officials. The entire camp staff trains for possible emergencies during staff training. We also work closely with local authorities and emergency services as needed. If you become aware of an emergency while in camp, immediately report it to the nearest staff member and follow their directions. Please do not directly call emergency response. Please follow all camp staff directions promptly and without question.

Do parents have to be registered Boy Scouts of America leaders to attend camp?

All adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive. Depending upon the council in which the individual is registered or the state in which they reside, there may be additional registration requirements such as training or background clearances.

For camp sessions that are less than 72 hours, at least one adult accompanying the group must be a registered member of the BSA, 21 years of age or older. A registered female adult, 21 years of age or older must be present for any activity involving female youth.

What if our unit does not fill/overflows the campsite we have chosen?

We understand that many units have a favorite campsite. Campsite capacities are determined based on location, available equipment, an impact on the environment among other things. It is important that we follow the set site capacities. If a unit does not completely fill their chosen site, it must be understood that another unit may be placed in the same campsite so as many Scouts are given a camp opportunity as possible. If a unit overflows their chosen campsite, they may be reassigned to a campsite that will fit their numbers, may have a portion of their unit moved into a nearby site with space, or, may have to provide their own camping equipment to set up additional tents in their chosen site.

Does every Cub/Webelos Scout have to be accompanied by a parent or guardian?

Cub Scouting is a family program and it is always encouraged that Scouts and a parent/guardian come together and participate together to make lifetime memories. That said, it is not required that every Cub/Webelos Scout is accompanied by their own parent/guardian. As long as two-deep leadership and the one adult to four Scout ratio is met, another adult attending can assume responsibility for a Scout whose parent/guardian cannot attend. This must be coordinated prior to camp. Scouts cannot simply be dropped off at camp.

Is there cell coverage and/or Internet access available at camp?

It is very common that we have adults attend camp who may need to be available to take care of home or work commitments. Cellular service depends on the specific camp. At Camp Independence, cellular service is very poor. Service is generally pretty good in Camps Liberty, Freedom, and at Eagle Base with AT&T tending to be a bit better than Verizon. Internet access is available for adults in the central administration Keystone Building from 8:30 a.m. until 6:00 p.m. but not in the individual camps.

Registration**How can I learn more about the Online Registration System (247Scouting)?**

The 247scouting.com online reservation platform was chosen over our previous platform, Doubleknot, because it is much more intuitive and easier to use. That said, short tutorials are being prepared and will be added to lhscouting.org/camping as soon as they are completed. A brief training will be offered at our pre-camp leader meetings in February. Otherwise you are welcome to contact the LHC Camping Department at (412) 325-7921 for assistance.

When is the registration cut-off?

We work to support every Scout in attending camp. Late additions can be made to the unit roster up until one week prior to camp pending availability. See the Finance section below for information related to payment due dates.

Can I register after my unit has paid for camp?

We endeavor to support every Scout in attending camp. Late additions can be made to the unit roster up until one week prior to camp pending availability.

What if an adult can't take the full week off?

This is very common. We often see unit adults split weeks. For example, we see one adult come Sunday to Wednesday and another come Wednesday to Saturday. Our new registration is set up with a "Partial Week Adult" registration option which will figure out prorated fees automatically when you register adults for the days they will be in camp. If help is needed, contact the LHC Camping Department at 412-325-7921 and we can help you with the reservation. Adult leadership is an important part of the Scout camp experience. We will work with you to get your adults registered for camp.

Can I attend at a different time than the rest of my Unit?

Absolutely. For Cub Scout programs, individual parent/Scout teams or parts of units may register for the session that best fits their schedule pending availability. Provisional opportunities for individual Cub/Webelos Scouts cannot be accommodated. For Scouts BSA and Venturing programs, individual Scouts or Venturers can join a provisional unit as a lone Scout. Give the LHC Camping Department a call at 412-325-7921 and we can help connect provisional campers with host units. For accurate reporting purposes, we ask that provisional attendees set up their own camp registration and are not included in the registration of a host unit. The LHC Camping Department can assist with this by calling 412-325-7921.

Preparation **What happens if we only have one adult able to attend camp?**

From the Guide to Safe Scouting: Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

Eagle Base All adults accompanying a Scouting unit who are present at the activity for 72 total hours or more must be registered as leaders. The 72 hours need not be consecutive.

In addition, for Cub/Webelos Scout programs, the BSA National Camping Standards require a ratio of at least one adult to four Scouts and every Cub/Webelos Scout must have an identified adult who is responsible for them. This adult need not be a parent/guardian as long as the adult knowingly takes responsibility for the other Scout prior to attending camp.

Independence If your unit will not be able to meet these adult leader requirements, please contact the LHC Camping Department at 412-325-7921 as soon as possible so we can either help connect you with another unit to share leadership or recruit an additional provisional leader for your unit.

Liberty / Freedom **Can linked male and female Scouts BSA units just register as one big unit for camp?**

No. Although linked and possibly sharing leadership, male and female Scouts BSA units are separate units. Separate registrations will need to be set up for each unit and both will need to pay the registration deposit. Linked units will be able to share a campsite if they wish pending space availability. It will be the responsibility of unit leadership to ensure youth protection guidelines are enforced within the campsite and behavior is monitored. If both units will be sharing leadership, please list half of the adults on each registration so that adults are not double registered for camp.

Life in Camp **Can I see campsite availability anywhere?**

Yes. Campsite availability can be seen by looking at the Campsite Matrix found on the registration page of the camp you are interested in attending.

Medical

What kind of medical do I need for each session?

All campers must utilize the BSA Annual Health and Medical Record and LHC Supplemental Medical form both available at lhcscouting.org/camping. All campers staying in Camp Seph Mack, Camp Liberty, Camp Freedom, and Eagle Base must complete the BSA Annual Health and Medical Record parts A, B, and C plus the Supplemental form. This requires a doctor's examination within 12 months of attendance.

Registration At Camp Independence's Cub Scout program, campers staying 72 hours or less must complete the BSA Annual Health and Medical Record parts A and B plus the Supplemental form. Campers staying more than 72 hours (Camp Independence Webelos 4 day programs) must complete the BSA Annual Health and Medical Record parts A, B, and C and Supplemental form.

Resources **Do adults need to have a medical form?**

Yes; current medical forms are required for all adults attending camp, even if staying only one night at camp. All overnight campers are required to have a BSA Annual Health and Medical Record on file with camp.

How long are BSA Annual Health and Medical Records good for?

BSA Annual Health and Medical Records must be updated annually. Parts A and B should be reviewed and updated as needed. Part C, which requires a doctor's physical, is good for one year through the end of the month from when the form is dated. As an example, if a physical was conducted and the form signed by your health care provider on May 10, 2017, it is valid until May 31, 2018.

Can we use a different form from the BSA Annual Health and Medical Record?

No. Our medical staff deals with hundreds of BSA Annual Health and Medical Record forms each summer and know them very, very well. In the event of an emergency, it is important that they be able to find the information they need as quickly as possible and not have to search for it on a form they are not familiar with.

I have a special dietary request/necessity, how can that be accommodated?

The Laurel Highlands Council is committed to accommodating reasonable requests. To do this, we must know about any special diet requests at least two weeks ahead of camp attendance. There is an online form linked at lhscouting.org/camping to submit these requests. Our food service staff will follow up with each case to discuss specific needs. We will do everything we can to meet your health needs. In extreme cases it may be necessary for you to provide your own food. Due to the large volume of campers we cannot accommodate requests that are not due to medical or religious reasons. It is also important for individuals who request special diets to personally identify themselves to the food service staff as part of the check-in process, so the staff can properly connect requests with requestors.

What are the insurance requirements for camp?

All camp attendees should be covered by Scouting's sickness and accident insurance. Scouts, Scouters, and parents in Laurel Highlands Council units are covered by the council's sickness and accident insurance and information will already be on-site at camp. Units from outside of Laurel Highlands Council should bring with them a copy of their council or unit's sickness and accident insurance policy and claim form.

Finance

What does the camp fee cover? Are there any additional fees?

Camp fees cover all program supplies, meals, lodging, recognition items, staffing and facility costs. Some special camp programs (Shotgun, Waterskiing, Day Trek) do incur additional fees. Participation in Order of the Arrow brotherhood conversion while at camp also has an additional fee.

If I can only attend for a partial session, what is the cost?

All youth fees are based on attending for the full session. Parents and leaders should share weeks to fill that space all week. Our new registration is set up with a "Part Time Adult" registration option which will figure out prorated fees automatically when you register adults for the days they will be in camp. If you have further questions, please contact the LHC Camping Department at 412-325-7921.

Can I get a discount if I am going to more than one camp session?

Yes. LHC offers a 25% discount for individuals attending multiple camp sessions at LHC summer resident camps. This applies to youth and adult camp fees. Day camp, NYLT, or national high adventure base attendance does not qualify. For camp fee, due date, and available discount information go to lhscouting.org/camping.

How do I apply for a campership? When will we find out if we received one? Can that fee be transferred to someone else? How much will my campership be?

Campership application forms are available online at lhscouting.org/camping. Applications are due by MARCH 1. Awards will be announced by the end of March. Camperships are not transferable and are dependent upon the available funds, the number of qualified applicants, and the length of stay. Camperships are awarded upon merit. Campership amounts are determined by a volunteer committee. In 2016, 2017, and 2018 all campership applicants received some amount of campership assistance. This is not guaranteed and for LHC campers only.

When are camp fees due?

Camp fees must be paid in full no later than two weeks prior to camp attendance. To receive the lowest “Early Bird” rate, fees must be paid in full by April 1. If paid in full between April 2 and June 1 you will pay the second tier “Regular” rate. If paid in full June 2 or after you will pay the third tier “Late” rate. For camp fee, due date, and available discount information go to lhscouting.org/camping.

Do we still get free Adults and/or Den Chiefs?

Yes. For every six Scouts that you bring to Camp Liberty or Camp Freedom, you will earn one free adult. For every six Cub/Webelos Scouts you bring to Camp Independence, you will earn one free adult. Each unit registration for Cub/Webelos camp entitles you to one free Den Chief. Free adults and den chiefs are calculated per unit per session. For every six Scouts/Venturers you bring to an Eagle Base resident program, you will receive a \$180 discount toward one adult. For camp fee, due date, and available discount information go to lhscouting.org/camping.

Are advancements earned at camp included in the price of camp?

Program materials to meet advancement requirements are included in the camp fee. Some of the actual awards can be purchased in our camp trading posts and all can be purchased at your local Scout Shop.

Why are Eagle Base and Day Trek costs higher? Why do Eagle Base adults pay the same as youth?

Eagle Base and Day Trek programs are coordinated with partner vendors who have set costs for their programs. Higher fees account for the program costs charged by these vendors. Adults are needed to participate in Eagle Base programs to help maintain BSA required adult leadership requirements. Our vendor partners charge for adult participation.

Is there any kind of discount if a family has multiple Scouts attending camp?

Yes. New for 2019, LHC is offering a 15% discount off second and subsequent youth Scout camp fees. This discount will be applied automatically by the online registration system to the second/later registration and will apply across different LHC summer resident camps. Day Camp and NYLT attendance does not qualify. For camp fee, due date, and available discount information go to lhscouting.org/camping.

Program

Do adults have to complete a camp swim test?

Any and all campers, youth and adult, who wish to participate in any aquatics program while at camp must complete a swim test. Swim tests can be completed prior to camp or can be completed as part of check-in on arrival day at camp.

How do I take a pre-camp swim test?

Pre-camp swim tests can usually be arranged at your local pool. Please follow the guidelines found on the Pre-Camp Swim Check form located at lhscouting.org/camping. Bring the form with you when you check in on arrival day and turn it in at the aquatics area. This is encouraged as it will save your unit valuable time during check-in. Our camp aquatics staff reserve the right to retest any individual if they have any concerns about their ability.

When will merit badge and activity sign-ups begin for the Scouts, BSA programs?

Merit badge, special activity, and Eagle Base activity sign-ups will open at 6:00 a.m. on April 15th. Sign-up is first come, first served. Some badges and activities fill extremely quickly. We encourage you to be prepared ahead of time with a list of what each Scout wants to take and backups. Forms to help you collect this information can be found at lhscouting.org/camping.

Will Cub and Webelos Scout programs include advancement opportunities?

Yes. Where possible, we build completion of Adventure requirements into camp activities. Entire adventures, however, may not be completed while at camp. Information on requirements covered will be provided to an adult in each group during check out.

What do we do if a Scout receives a “partial” on one of their camp merit badges?**Can we contact the summer camp counselor to complete the badge?**

First of all, keep in mind that receiving a “partial” is not a failure on the part of the Scout. It just means that they have a bit more to do. “Partials” are good until a Scout turns 18. Please remind Scouts and parents of this. Following the camp session, Scouts who receive “partials” should work with their unit leader to locate a local merit badge counselor with whom the Scout (and a buddy) can complete the badge. Districts and councils keep lists of approved merit badge counselors and there tend to be more counselors for summer camp and Eagle required badges than any other badges. Many of our summer camp merit badge counselors and instructors only serve in these positions during the summer camp season and many are away at college the rest of the year. Due to this, LHC does not give out contact information for summer camp merit badge counselors/instructors.

I believe one of my Scouts completed a badge while at camp, but the card was not signed off, what do we do?

Contact the LHC Camping Department at 412-325-7921 and we will look through the records kept during camp. The LHC Camping Department will follow the records, meaning, that if a badge is not marked as complete in the camp records, we will not sign off on it after camp. In this case, a Scout will need to work with their unit leadership to locate a local merit badge counselor with whom to complete the badge.

We lost a summer camp merit badge blue card. What do we do?

Contact the LHC Camping Department at 412-325-7921 and we will look through the records kept during camp. The LHC Camping Department will follow the records, meaning, that if a badge is not marked as complete in the camp records, we will not sign off on it after camp. Based on the available records, the LHC Camping Department will prepare a replacement blue card and mail it to you. Current records are only available back to 2015.

Will Cub and Webelos Scout programs include advancement opportunities?

Yes. Where possible we build completion of Adventure requirements into camp activities. Entire adventures, however, may not be completed while at camp. Information on requirements covered will be provided to an adult in each group during check out and at lhscouting.org/camping following the camp season. Cub and Webelos advancement programs do not have to be scheduled prior to camp.

Meals**Can we review the camp menus before arriving at camp?**

Yes. As soon as menus are available, they will be posted to lhscouting.org/camping. For various reasons, sometimes planned meals are changed. Current menus will be posted at camp. Menus are approved by a registered dietician annually.

What if my Scout/I do not like what is on the menu?

Due to the large number of individuals being served at camp, it is extremely difficult to offer a number of different options at each meal. Substitutions will only be made for those with documented medical needs who make a special diet request at least two weeks prior to attendance. Fruit and materials to make Sun Butter and Jelly sandwiches will be available at all meals. Cereal will be available at breakfast. Additional options will be available through the camp trading posts.

I have a special dietary request/necessity, how can that be accommodated?

The Laurel Highlands Council is committed to accommodating reasonable requests. To do this, we must know about any special diet requests at least two weeks ahead of camp attendance. There is an online form linked at lhscouting.org/camping to submit these requests. Our food service staff will follow up with each case to discuss specific needs. We will do everything we can to meet your health needs. In extreme cases it may be necessary for you to provide your own food. Due to the large volume of campers we cannot accommodate requests that are not due to medical or religious reasons. It is also important for individuals who request special diets to personally identify themselves to the food service staff as part of the check-in process, so the staff can properly connect requests with requestors.

What is Sun Butter? Why not Peanut Butter?

In 2016, all peanut and tree nut products were eliminated from the food service at Heritage Reservation for camper safety. Some allergies can be extreme and this was done to keep everyone safe. Sun Butter is a safe, sunflower seed based alternative that looks, smells, and tastes almost exactly like peanut butter. Please do not bring any products that include peanuts or tree nuts into our dining facilities at Heritage Reservation.

How will meals be served?

Meals are served differently depending on which camp you attend. At Camp Independence, Camp Seph Mack, and Eagle Base, meals are served cafeteria style in a dining hall. At Camp Freedom, meals will be served family style in the camp dining hall. At Camp Liberty, campers will pick up their food from the camp commissary and cook it themselves, patrol style in their campsite.

Eagle Base**What is the difference between Eagle Base and Day Trek?**

Eagle Base is the high adventure camp at Heritage Reservation. Through Eagle Base, there are two participation options. The first is the full Eagle Base resident program. Groups sleep and eat at Eagle Base, participate in high adventure activities on and off reservation during the day, and get to participate in fun evening programs. The second option is Day Trek. Day Trek is for older Scouts attending Camps Liberty and Freedom. Day Trek participants register with their troop in Camp Liberty and Freedom, sleep and eat with the troop in that camp, and participate in on and off reservation high adventure activities during the day. Eagle Base evening programs are not available for Day Trek participants.

Where can I get a detailed schedule of the activities offered?

A full schedule of activities offered through Eagle Base can be found in the current camp guidebook available at lhscouting.org/eaglebase.

Is there something we should do in preparation for our Eagle Base adventure?

Yes. Eagle Base programs are high adventure in nature and are physically demanding. Make sure all participants from your group are in good physical shape, meet the height and weight guidelines found in the current camp guidebook, and come prepared with any required personal items listed in the current camp guidebook. Additional preparation information can be found in the current camp guidebook available at lhscouting.org/camping.

Can we still participate in the programs at Camp Liberty and Freedom?

Day time Eagle Base resident and Day Trek programs are separate and most times off-site from Camps Liberty and Freedom. Day Trek participants will generally be out of camp from just after breakfast until just before dinner and then will be able to participate in Camp Liberty or Freedom's evening programs with their home troops. Scouts interested in attending both Camp Liberty or Freedom and Eagle Base can return for a second week and receive a \$100 discount to do so. If an Eagle Base resident or Day Trek participant chooses not to participate in an Eagle Base program one day of the week, they may join merit badge courses depending upon available space. There is no guarantee that camp staff will be available at other times to help those Scouts complete badges.

Where do we sleep and eat?

Eagle Base resident program participants will stay in the Earhart campsite near Heritage Reservation's Pathfinder Lodge. The campsite will have nylon wall tents with cots on wooden floorboards. Meals will be served cafeteria style in Pathfinder Lodge. Showers are also located in Pathfinder Lodge. Day Trek participants will stay with their home troop in Camp Liberty or Freedom.

Are there any age or other requirements for the high adventures?

Yes, participants must be 13 years old and a registered Venturer or Scouts, BSA. Also, Trek participants must be able to complete the BSA Swimmer Test. Experience in boating is encouraged. Other activity specific requirements can be found in the current camp leader guide available at lhscouting.org/camping.

Are there separated accommodations for male and female leaders?

Following the BSA's youth protection guidelines adults must sleep in separate tents from youth. Males will sleep in separate tents from females. The only exceptions to this are married couples or a parent with his/ her own child.

Can our unit take all the spots of a given week?

Yes, pending availability and meeting adult leadership requirements.

How many adults are required?

Eagle Base resident program units will need to provide one 21 or older male leader for male participants and one 21 or older female leader for female participants. Each unit will need to provide a minimum of two adults unless you will be sharing leadership with another unit (this must be pre-arranged through the LHC Camping Department). Units with Scouts participating in Day Trek do not need to provide adult leadership. Eagle Base Trek Guides fill this role. Adults are always welcome to come along.

I'm an adult leader with Scouts participating in Day Trek. Can I tag along?

Yes. Adults wishing to participate all week with their Day Trek participants will be allowed to do so, but will need to pay the higher, Eagle Base adult fee. If an adult wants to participate just in one day, they will be charged the balance due for that day's activities. Activity and transportation space is limited and youth are always given preference.

Camp Independence

I have a Cub Scout and Webelo, and one week of vacation – What should I do?

To help families with multiple Scouts and limited vacation, the camp schedule for 2019 has been greatly changed from previous years. During July, there are three weekend "Pack Camp" sessions. Pack Camp is designed to have Scouts of multiple ages all attend at the same time. Check-in is being pushed back later in the day so adults can work a half day if they wish. On Sunday of these weekend sessions, families can leave following the closing campfire if they wish allowing them to head back to work Monday morning.

Can a sibling of a Cub Scout go to Camp Independence?

All youth participants must be registered Scouts. Camp is not outfitted to support siblings who are not registered. Camp Independence will be holding a Family Adventure Camp session at the end of the summer for the entire family to attend.

Can a Webelos crossing over to Scouts, BSA attend Camp Independence one last time?

No. The activities at Camp Independence are specifically tailored for the age of Cub and Webelos Scouts. The Scout would have much more fun at one of the Scouts, BSA camps with a new Scouts, BSA troop. Also, missing the first year of Scouts, BSA camp may put them behind the rest of the Scouts in their patrol on advancements.

Can adults stay over between sessions of Camp Independence?

Yes. This will need to be arranged with the Camp Independence leadership.

Can Webelos attend Cub Scout Camp or vice versa?

Each camp is geared toward that specific age range and will have activities and advancement particular to those ranks. Webelos attending a Cub Scout camp will likely be bored with the program.

Where do we sleep and eat?

Campers choose one of eight campsites and stay in canvas platform tents with cots. Each campsite has a latrine and hot showers nearby. All meals except for the campsite cookout for the Webelos are eaten in the Dining Hall and are prepared by the camps contract food service staff.

Do we get an opportunity to visit Heritage Reservation's Scouts, BSA Camps?

A hike to either Camp Liberty or Camp Freedom is part of the program during Webelos four-night sessions.

What is in the foil cooking meal? Do I need to bring anything?

The final menu for all meals will be posted at lhscouting.org/camping when they become available. All needed materials are provided, but you may want to bring extra heavy duty foil, hot pads, tongs, a paring knife, cutting board, utensils, cups, and plates. This program is only offered for Webelos four-night sessions.

What if I don't want to go to Nature? Can I do something else?

The camp program is written with several things in mind. Our goal is to offer a wide variety of programs for each Scout. Camp also has up to 350 campers each session and we need to schedule where campers are so areas do not get overwhelmed. Our camp staff are often needed other places or simply need to take a quick breather when their specific programs are not running. If you choose not to participate in a particular program, do not expect an opportunity to be made for participation another time.

Can Lions attend summer camp?

Scouts who became Lions in the fall of 2018 can attend summer camp during the summer of 2019. As of the beginning of June 2019, they are considered Tigers. All Tigers must have an adult partner accompany them to camp. Boys who join in June of 2019 as Lions, unfortunately, will not be able to attend Cub Scout or Webelos Scout summer resident camp sessions. They may attend Rookie Camp. Because of their age, development level, physical abilities, and stamina, Lions should only participate as their family feels comfortable with the age appropriateness of the activities.

What is Pack Camp?

Pack Camp is a new addition to the lineup at Camp Independence for 2018. It is a three-day session for packs to come all together instead of having Wolves/Bears attend a Cub Resident session and Webelos/Arrow of Lights attend a Webelos Resident session.

If we choose to attend Pack Camp, will Scouts receive age appropriate programs or will everyone do the same thing?

If sufficient participants sign-up (which is expected), the plan is to divide packs in half - Wolf/Bears and Webelos/Arrow of Lights. Those two groups will rotate through activities separately and will participate in age appropriate activities when they arrive in specific program areas. As an example, the Wolf/Bear group would shoot bb guns while the Webelos/Arrow of Light group would shoot pellet guns. Webelos/Arrow of Lights will still get to participate in activities like BMX and climbing.

What if our pack is a Family Scouting pack? Can we bring girls to camp?

Cub Scout Packs approved as a Family Scouting program may bring registered female Cub Scouts with them to summer camp. All youth attending camp must be registered members of the Boy Scouts of America. Packs must also ensure that they meet Family Scouting leadership requirements. Activities involving both boys and girls must include at least one adult male, aged 21 or over, and one adult female, aged 21 or over, one of whom must be a registered member of the Boy Scouts of America.

Will the camp program be different for female Cub Scouts who attend camp?

The program will be exactly the same for both boys and girls attending camp.

What are the requirements for adult leadership if our Pack brings female Cub Scouts to camp?

Packs must ensure that they meet Family Scouting leadership requirements. Activities involving both boys and girls must include at least one adult male, aged 21 or over, and one adult female, aged 21 or over, one of whom must be a registered member of the Boy Scouts of America.

What if each female Cub Scout attending camp will be accompanied by their own father/legal male guardian? Do we still have to have female leadership?

Yes. Any activity involving female Cub Scouts must meet BSA two-deep leadership requirements and include at least one adult female, aged 21 or over. At least one adult in attendance must be a registered member of the Boy Scouts of America.

Will there be changes to the showers and latrines at Camp Independence to accommodate female Cub Scouts?

The Laurel Highlands Council Properties Committee has made the preparation for the Family Scouting program its top priority. Plans are in development to renovate at least one of Camp Independence's shower houses to be able to accommodate youth female campers with the goal of having the shower house renovated prior to the summer camp season. If the project cannot be completed in time, several alternative plans to provide separate showers for youth female campers have been developed. Latrines in Camp Independence already include separate stalls which can accommodate male or female, youth or adult camper.

Camps Freedom / Liberty

Where can I find out what merit badges and activities are offered?

A full schedule of merit badges and activities offered through Camps Liberty and Freedom can be found in the current camp guidebook available on the Summer Camp Resources page (www.lhscouting.org/camping/resources). An activity planning sheet will also be added to the same webpage to help you with scheduling.

Where do we sleep and eat?

Troops choose one of 14 campsites and stay in canvas platform tents with cots. Each campsite has a latrine and hot showers are nearby. At Camp Freedom, all meals except for the campsite cookout are eaten in the Dining Hall and are prepared by the camp's contact food service staff. At Camp Liberty, we have patrol cooking. You pick up the meal ingredients at the camp commissary and, as a patrol, cook the meals in your campsite.

Is there something for older Scouts to do?

Yes. There are more than 60 opportunities for merit badges, as well as rank advancement and special award opportunities including the Heritage Ironman. Or you can check out Day Trek for high adventure programs for Scouts 13 and older.

What do you recommend for the first year campers?

The Trail to First Class program helps Scouts work on the basic Scout skills from the Tenderfoot, Second Class, and First Class ranks. Scouts will have time to take first year appropriate merit badges in the afternoon as well. We encourage troop adult leadership to help out in this area. More information can be found in the current camp guidebook on the Summer Camp Resources page (www.lhscouting.org/camping/resources).

Why do merit badge classes stop mid-afternoon? We want our Scouts to earn more merit badges.

The Laurel Highlands Council Camping Committee believes strongly that summer camp is about much more than just earning merit badges. Scouts should have time to enjoy the outdoors, have fun, and try out new and different activities they may never get to do outside of camp. Afternoon open program time facilitates this.

Payments and Fees

a run-down of what each session costs

The Camping and Outdoor Program Committee unanimously approved a sliding camp fee for 2019 to encourage a greater percentage of our youth and adults to commit early to camp and provide Heritage with the ability to offer an even better program at a competitive rate by:

You will be amazed at how quickly your camper will make new friends and assimilate into the host unit. This is a great opportunity to ensure all your Scouts can make it to camp even if they have a family vacation during your week.

Contact the LHC Camping Department at (412) 325-7921 to connect your Scouts with another unit or our provisional units. Interested in your unit hosting provisional Scouts? Contact us for details!

Online Registration FAQ

routine questions regarding the online registration system

How can I learn more about the Online Registration System (24/7 Scouting)?

A brief training will be offered at our pre-camp leader meetings in February. Otherwise, you are welcome to contact the LHC Camping Department at (412) 325-7921 for assistance.

When is the registration cut-off?

We endeavor to support every Scout in attending camp. Late additions can be made to the unit roster up until one week prior to camp pending availability. See the Finance section below for information related to payment due dates.

Can I register after my unit has paid for camp?

We endeavor to support every Scout in attending camp. Late additions can be made to the unit roster up until one week prior to camp pending availability.

What if a parent can't take the whole time off?

This is very common. We often see unit adults split weeks. For example, we see one adult come Sunday to Wednesday and another come Wednesday to Saturday. In this case, where the two adults are not overlapping, one adult space will need to be reserved. In cases where an adult that is not staying the entire session is overlapping, please contact the LHC Camping Department at (412) 325-7921 and we can help you with the reservation. In this case, the adult camp fee will be prorated for the days in attendance. Adult leadership is an important part of the Scout camp experience. We will work with you to get your adults registered for camp.

What happens if we only have one adult able to attend camp?

The BSA requirement is a minimum of two adult leaders one of which must be a registered leader and the second either a registered leader or the parent/guardian of one of the Scouts in attendance. In addition, for Cub/Webelos Scout programs, the BSA requires an adult to Scout ratio of one to four and every Cub/Webelos Scout must have an identified adult responsible for them. If your unit will not be able to meet these adult leader requirements, please contact the LHC Camping Department at (412) 325-7921 as soon as possible so we can either help connect you with another unit to share leadership or recruit an additional provisional leader for your unit.

Can I attend at a different time than the rest of my Unit?

Absolutely. Individual parent/son teams or parts of units may register for the session that best fits their schedule pending availability. Individual Boy Scouts or Venturers can join a provisional unit as a lone Scout. Provisional opportunities for individual Cub/Webelos Scouts cannot be accommodated.

words that express the energy of the experience

Camp Freedom Song

Our forefathers fought,
 For what they believed,
 We honor everyone,
 that keeps our country free.
 Freedom for everyone. (x2)
 Camp Freedom is the place for me,
 With so much to do and see.
 Where learning and fun all are one,
 Freedom for everyone. (x2)

Eagle Base Song

Eagle Base, Eagle Base
 Down here at Eagle Base we all have a blast,
 So hurry along bring a friend
 Adventurers are we, having fun neeth
 the trees.
 And when we are gone you'll remember our

 Cause we are Eagle Base.
 Eagle Base, Eagle Base

Camp Independence Song

A Cub Scout came to Independence at the end
 of the school year,
 Coming to a place he's never been before.
 He left his home behind him, he was a little
 scared and then,
 The staff and leaders helped him find his way.
 - Refrain -
 He braved the waters of Lake Courage,
 He spent his first night in the woods,
 He saw birds and forests, rocks and fields and
 streams,
 He learned about our country's history... in
 the flags that he raised.
 He met the challenges and did the best he
 could.
 - Refrain -

Refrain

Independence is where you all can come,
 To experience the woods and have some fun.
 It's the spirit of Scouting...
 where it can all begin.
 Come join in, at Independence.
 Come join in, at Independence.

Camp Liberty Song

Liberty, the place for me,
 Liberty, in God's country.
 Stars in the sky tell us God is here;
 Fires a-glowin' show friends are near;
 Liberty, the place for me,
 Liberty, where Scouting should be.

Materials and Equipment Needs

The best camps need the best equipment. However, this is often out of our price range so we rely on assistance. Check out the online needs list and contact the Camping Director to help.

Summer Service Projects

Throughout the summer, many camp improvement projects are in the works. A pre-approved project list will be developed by the camp ranger staff and will be made available in the camp office. Tools can be checked out or you may bring your own. Have your whole unit earn the Outstanding Acorn Award (pg 42).

Beaver Service Days

June 1-3 at Heritage Reservation we invite everyone to camp for a weekend of projects to help get camp ready for the upcoming summer. Entire units, small groups and individuals are welcome to stay in canvas wall tents at Camp Independence for free - or bring your own tent and stay in one of the Scouts, BSA camps. This is a great weekend of fellowship and service and also allows you to take part and pride in the great place Heritage Reservation is. Register online using the Online Registration System at www.lhscouting.org/camping.

Camp Staff Alumni Association

Each of these offers opportunities for a variety of summer camp staff jobs. Most Scout camp staff are at least 16 years of age; however, there are limited positions for 15 year olds. The high adventure program employs young people who are at least 18 years of age. The Laurel Highlands Council, Boy Scouts of America is an equal opportunity employer that hires both females and males, as well as people of all ages and ethnic groups, diverse cultures and mixed abilities.

CITs live in wall tents complete with electricity and have access to hot showers, laundry facilities and a lounge. There is no pay, however there is no charge for food, board or training while in the program. Some camps charge as much as \$100 per week. CITs will work in a different camp and program area each week and will take part in staff training sessions.

Celebrating Our Heritage

a history lesson of heritage reservation

Whose Heritage Is It?

Scouts who come to Heritage Reservation for the first time ask “Who owns Heritage?” Well, the answer to that is pretty simple. The Laurel Highlands Council, and because your unit is from this area, that makes you a part of the Council. So in a way, you are a part owner of this wonderful place.

But you are an owner of Heritage Reservation in a more important way. Every youth who camps here leaves a little bit of them self with this camp. The improvement project you participate in, your care of the land and the water, your responsibility in not littering or destroying any living thing or damaging any property stays here as part of you. That not only makes you an owner of Heritage, it makes you a permanent part of it. Think about that as you enjoy this camp.

Who Built Heritage?

Heritage Reservation opened for the first time back in 1980. Before Heritage, Boy Scouts from our area went to three different camps, but none of them were as big or as good as Heritage. Two of them did not even have a lake to allow for boating and fishing that most boys enjoy.

Some of our Council’s leaders at the time had a dream about creating the finest Scout camp in America for the youth of southwestern Pennsylvania, youth just like you. So they looked for just the right piece of land, where they could make a great lake like Lake Courage, and where there was plenty of space to hike in the wilderness and do all of the things that Scouts want to do at camp. Well, they found exactly what they were looking for right here, and they planned and built Heritage in less than two years! Why did they do it? Because they believed that youth for years to come deserved the best camp that could be had. Today, we should think about how grateful we are for the dreams those leaders had and for the wonderful place they created here at Heritage Reservation.

Who Paid for Heritage?

Did you ever wonder who provided the money to buy the land and build the campsites and buildings that made Heritage a Scout camp?

Well, it did take a lot of money to build Heritage. More than eight million dollars back in 1980 when it opened to Scouts. It would cost a lot more today. About another ten million dollars has been invested since then in improvements and expansions. It was all spent for youth like you to enjoy and learn about nature, and about yourselves as you work at being good campers.

But who provided all the money? The answer is: the community did. Some money came from Scout troops and Scout families and Scout leaders. A lot came from businesses, corporations, charitable foundations and people who believed that Scouting is a great program and that youth like you would benefit from it. People and businesses gave the money to build Heritage because they believed in the future, and that the future will be shaped by who? By YOU!

Why is This Place Called Heritage?

Scouts, BSA camps have lots of names. Some of them are named for Native American tribes, some are named for people, or even towns. Heritage is the only one we know that is named for an idea.

Heritage is something that is passed from older people to younger people. Sometimes that heritage is money or property. But that is not what Heritage Reservation is about. This Heritage is to help you remember and understand what has gone before you and why you should be proud of it, and to pass that pride on to the boys who follow you.

Part of this Heritage is about what happened here. This is a very historic country. George Washington, our first president and great general of America's war for independence, first saw battle not far from here. It was the first battle in a war about whether this part of America would be English or French.

Pittsburgh, which is at the center of our Scout Council, was the site of an important fort because of the three rivers that meet there. After that, our region became one of the most important industrial centers in the world.

The name of this reservation and the camp sites in it are reminders of the places where our ancestors fought and worked to make America the land of liberty, freedom and independence. We must never forget what they did. Heritage Reservation helps us remember.

Why An Acorn Symbol?

As plans developed for a new camp, so did a symbol to recognize its clear purpose. This symbol with the triangle, the acorn and the HR, however represent much more than you might imagine.

One part reminds us of our history. It is a triangle which represents a tricorne hat worn by the colonists during the struggle for independence, liberty and freedom from England. Its blue color reminds us of the beautiful man-made lake called Lake Courage.

The second part is the brown acorn itself. Long ago, a poet named David Everett wrote the following: "Tall Oaks from Little Acorns Grow." Here at Heritage, we are planting the seeds of our future in young men and women who soon will be the leaders of America.

The third part is the yellow HR which is short for the camp name, Heritage Reservation.

These three parts should also remind us of the three parts of the Scout Oath: duty to God and country, duty to others and duty to ourselves.
